## Please check your Scout's account

As of right now, we have many Scouts whose accounts are in the negative. The Troop must cover the expenses for activities and camp-outs prior to departure for the trip. Because of this, we must require Scouts pre-pay for the Troop activities and camp-outs. Also, if your Scouts' account is in the negative, he cannot participate in any camp-outs or activities until his account is caught up and the activity is paid for. We are sorry for any hardships this may cause. Please contact Mr. Plumlee or Mrs. Overholser if you have any questions.
